```
var googleSearchIframeName = "cse-search-results"; var googleSearchFormName = "cse-search-box"; var  
googleSearchFrameWidth = 800; var googleSearchDomain = "www.google.com"; var googleSearchPath = "/cse";  
Joomla training just for you!
```

Joomla! is one of the most powerful content management systems but sometimes you just need a helping hand. That is what we are here to do.

- Time to refresh and expand your web presence?
- Looking at Joomla as a solution for your clients?
- Need a new tool for rapid web site development?
- Had a website developed for you but now you need to learn how to maintain it?
- Struggling with Joomla terminology?
- Or just looking to expand your knowledge?

You have the questions, we have the answers!
